# PT. Surya Inti Aneka

**PT. SIAP**  
Surya Inti Aneka Pangan

With experience since 1987, Mr. Djoni Gunawan has been instrumental in expanding the production capacity under PT Surya Inti Aneka Pangan.

Since its inauguration in 2020, PT SIAP has been certified by **BPOM, Halal, HACCP.**

## Performance and Achievement-Oriented

As a well-established and mature company, quality consistency has become the hallmark of every cracker we produce. PT Surya Inti Aneka Pangan (PT SIAP) does not stop there; we strive to achieve various accolades in the food industry to attain a trusted level of credibility on the international stage.

The quality of PT SIAP's crackers has been acknowledged in Malaysia, Hong Kong, China, Saudi Arabia, and the Netherlands.

Regarding partnership activities, PT Surya Inti Aneka Pangan aims to be a solution-oriented and inspirational partner. This is reflected in PT SIAP's capacity to create products that meet the needs and standards of each business partner.

Similarly, our work processes and production facilities are consistently maintained and improved, making PT SIAP a leading company.

Environmental, social, and economic sustainability are three guiding principles instilled in the work values and outcomes of PT Surya Inti Aneka Pangan.

The Water Treatment Plant, community empowerment, and efforts to enhance the economic value at both regional and national levels serve as the evidence of PT SIAP's commitment to continuously be a responsible company and generate innovation based on performance optimization over time.

Prioritizing  
Sustainability

# SIAP ACTION *at glance*

## Raw Materials ■

PT SIAP ensures that the raw materials used meet the standards. This is also the initial step in creating Product Quality Assurance.

## ■ ■ Systemized Process

PT SIAP implements Food Safety Standards at every stage of processing to make the best contribution to producing high-quality crackers.

## ■ ■ ■ Social Synergy

The commitment to integrate with stakeholders in responsibly safeguarding the interests of both the community and the environment is central. This movement is inseparable from PT SIAP's active aspiration to actively participate in creating a sustainable industry.

# Your Partner in Creating Best Quality Results

## SIAP in Partnership

PT Surya Inti Aneka Pangan (PT SIAP) is committed to delivering quality crackers. To date, dozens of PT SIAP's processed cracker varieties have been marketed both nationally and internationally.

Prioritizing responsible production processes, PT Surya Inti Aneka Pangan has become a trusted partner, from upstream to downstream.

Prawn Crackers

Fish Crackers

Garlic Crackers

Kerupuk Surya is made from high-quality shrimp and fish, combined with the right composition and an internationally standardized production process.

Our flagship product is highly popular and its taste perfectly suits the Indonesian palate.
